

# "Pride in where and how we live"

## Welcome back!

On behalf of the team, we are glad you have chosen to support our bi-weekly updates.

## House Breakdown

Our most recent isometric explaining key features of the house

## Social Media Challenge

A personal reflection from the team on working together so far

## Tell us what you think!

Take our survey and help us improve the newsletters for you!

## Welcome to Issue 4 of the Team ESTEEM Bulletin!

Welcome all, to the fourth issue of the Team ESTEEM newsletter. We are excited to connect with you and make our relationship more special. We hope that sharing our updates, advancements, tips and cause for celebration will further develop your interaction with us.

## House Breakdown

Team ESTEEM would like to share with you some more technical insights into elements within the house that has become key parts of our design.

## Social Media Challenge

As key supporters to the project, we have shared exclusively (below) to our newsletter reader's a video created as part of a small challenge set by Solar Decathlon. The video shares reflections of the team on the project so far and hopefully you spot some familiar faces!

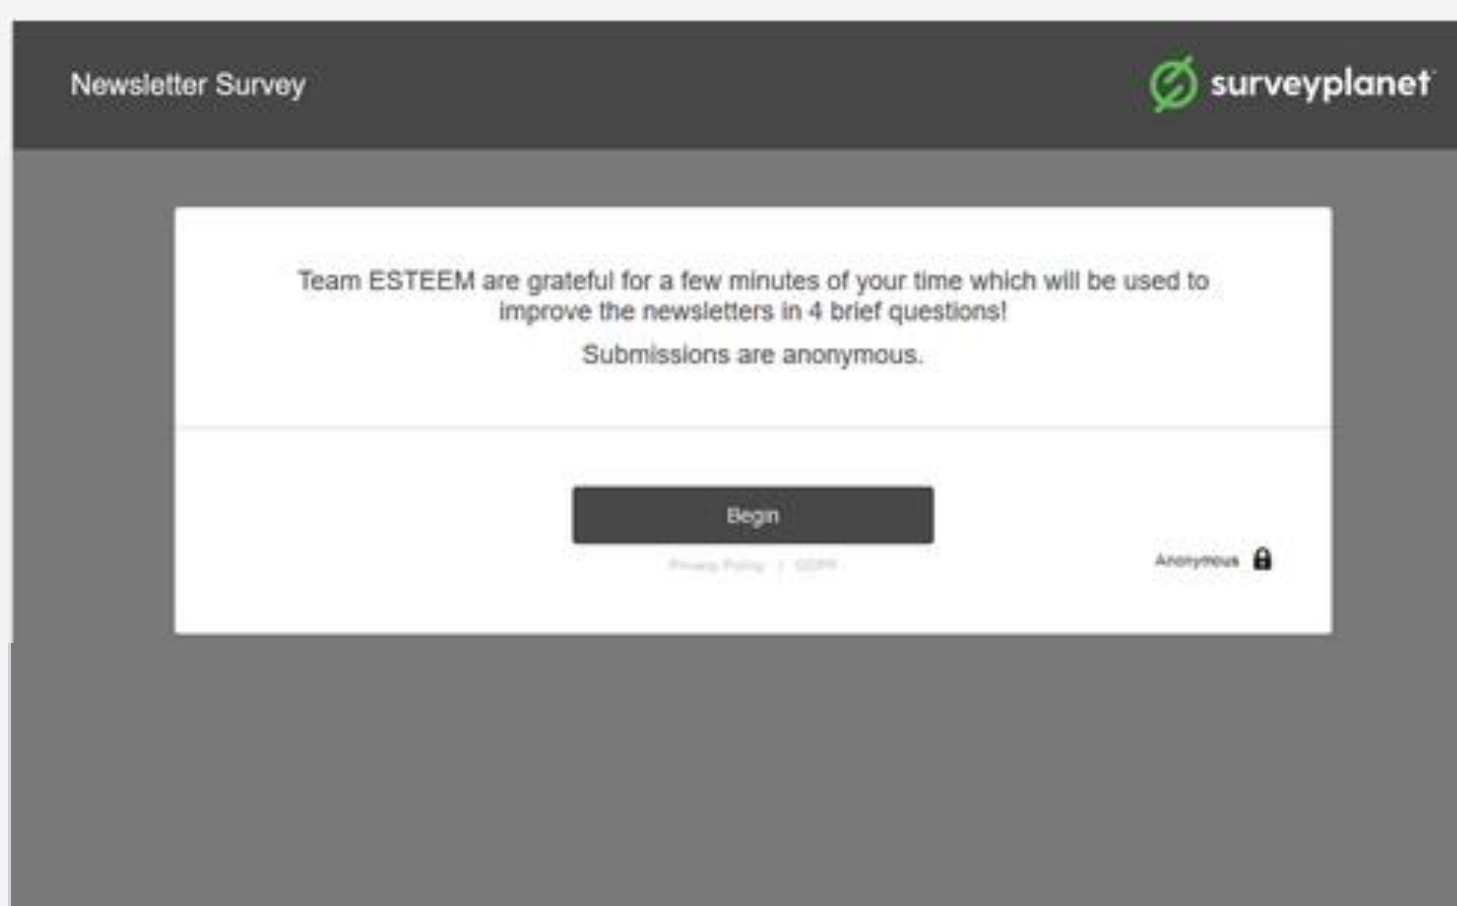

*Team ESTEEM's Journey and Keeping Connected:*
